Dear Parent/guardian

As I am sure you are aware Asquith School has been working hard to continue to provide a range of instrumental music lessons for students. Over the last year we have offered guitar, piano and percussion (Drums) with Mr Barrows our visiting teacher.

To showcase what these instruments sound like, we have had a visit from our teachers as part of a showcase assembly. If your child is interested in taking up a musical instrument all you need to do is complete the slip on the bottom of the letter and return it to the school office. From here your child will be allocated a place on the tuition timetable and you will receive an invoice each term from the tutor. Lessons will be offered at three price points: £3:25 shared 3 to a group 20 minute lesson, £4:25 for a shared 2 to a group 20 minute lesson and £8:25 for an individual 20 minute lesson, payment is expected termly in advance of tuition. In the first instance all your child would need to do is attend the lesson, once they have decided that this is the instrument for them advice would be provided surrounding the purchase of an instrument and other pieces of equipment. If your child decided that they no longer wished to attend lessons payment would stop and the place would be allocated to someone else. Lessons are offered on a first come first served basis.
