

29 April 2022

Dear Parents/Carers

As I'm sure you are aware RSE (Relationships and Sex Education) has become a statutory part of our PHSE (Personal, Health and Social Education) curriculum.

We have highlighted relevant information on our website which has more detail about what we teach. The main RSE curriculum is taught during the summer term.

We would like to give you the opportunity to attend a PHSE/RSE Information Session in school on Thursday 12th May 2022 at 2:30pm. This will enable you to hear more about what and how we teach, look at resources and ask questions. There may even be a goody bag for those attending!

If you are able to attend, please complete the slip below and return by Tuesday 10th May 2022.

Thank you.

Yours sincerely

C HARDING
HEAD TEACHER

PHSE/RSE Information Session

Name of child: _____ Class _____

I will be attending the PHSE/RSE Information sessions on Thursday 12th May at 2:30pm.
