3rd June 2026

Dear Parent/Carer

Mansfield Library Visit on Tuesday 7th July, 2026.

A class of children have been selected to visit Mansfield Library for an author event and to hear more about the Summer Reading Challenge.

The children will see author and wildlife videographer **Sam Hume** talk about his new book '**Dangerous Animals Survival Guide**' basically a book about how to survive attack by the worlds most dangerous animals. Sam is a really entertaining and inspiring individual as his main work sees him working as a videographer at the BBC, Sky, Apple, Netflix working with people such as David Attenbrough and Steve Backshall and of course meeting all the animals he will be talking about in the wild. His events are interactive, information, fun and really, really interesting.

All attending children will receive a Summer Reading Challenge joining pack consisting of the sticker folder, bookmark, magazine, letter to parents plus some other bits and bobs!

We will leave school at 9.15am.

We will be walking to the library and will be back for lunch.

As this is a local visit, we do not need you to complete a permission form but we are sending you this message so you are aware of our visit to Mansfield.

We will need parents to walk down to the Library with us, please come and talk to me if you can help.

Kind Regards

Mrs Austin
