

Year 4/5/6 Residential 2025 St Michael's Environmental Education Centre, Hathersage

10th October 2025

Dear Parents/Carers

We are delighted to be able to offer your child the chance to take part in a 4-night residential visit to Hathersage in the heart of the Peak District National Park, from Monday 22nd June 2026 - Friday 26th June 2026.

Hathersage is a Picturesque village in the heart of the Peak District National Park. It provides many opportunities for sightseeing, adventure walks and other activities such as stream studies, orienteering and team challenges. We will be staying at St Michael's Education Centre which provides quality, fully catered accommodation. The children sleep in rooms of between 4 to 10.

The total cost of the visit is £225. This includes all transport, accommodation, full catering, tutor led activities and represents extremely good value for money.

At this stage we would ask for a deposit of £45. If your child is allocated a place, we would then ask for regular payments to be made between now and March 2026. The school does have a remissions policy and if you would like your child to go to Hathersage but would have difficulty paying the full amount please contact school to discuss this before you make a commitment.

This is a very exciting opportunity for your child and you can be assured that they will have a fantastic week.

To pay your £45 deposit please access the schoolgateway app, there is a Hathersage 2025 link where you can make a payment directly from your bank account to the school account registering your child's interest.

Please register your interest by paying the deposit by the Thursday 16th October 2026. Details will be confirmed after this date.

If you need any help downloading or accessing the app, please email parentsinfo@asquith.notts.sch.uk or speak to Caroline or Sarah in the office.

Yours sincerely

A handwritten signature in black ink, appearing to read 'SRG', followed by a long horizontal flourish.
