Dear Parents/Carers

During the school year, Year 6 had a visit from a group of staff and students from Nottingham Trent University. We learnt about what a university is and the kinds of activities that are on offer.

On Friday 5th June, Year 6 will be visiting Nottingham Trent University for themselves. We will be leaving at 9.00am and should return to school at approximately 3.15pm. Please ensure your child is in school at 8.35am.

During our visit the children will be shown around the university and take part in a number of activities. The activities have been designed to provide a fun visit and an opportunity to sample a taste of university life, and the benefits a university education can bring.

All children will need a packed lunch. Those in receipt of free school meals will have a packed lunch provided, if a school meal is normally provided, but please send a drink for your child as this is not provided with the packed meal.

The total cost of the visit is £12.44 and is being part funded by the university, we are asking for a contribution of £6.21 towards the cost of the transport. However, you can contribute more if you would like to.

Please follow the below link to complete the school permission form to allow your child to take part.
