Dear Parents and Carers,

I am writing to inform you of a staffing change that will take place while a member of staff is currently not in school.

This decision has not been taken lightly. Our priority has been to ensure continuity, stability, and high-quality teaching for all pupils, while making the most effective use of the teachers we have available internally.

As a result, for the time being:

Mr Barber will be teaching in Year 5/6 (Falcons).

Miss Hallam will be teaching in Year 5 (Hawks).

This arrangement will allow us to provide greater consistency for the children and ensure that learning continues smoothly across both year groups.

Whilst we cannot state how long this change will be in place for, please be reassured that Mr Barber will continue to work closely with Year 5 to provide support, maintain relationships with the children, and keep continuity where possible.

We appreciate that changes like this can raise questions, and we thank you for your understanding and continued support. If you have any concerns, please do not hesitate to contact the school.

Yours sincerely,

Mrs Susie Graham
