Y6, Y1, Reception and Nursery Update

Dear Parents/Carers

Your children have all settled well in their bubbles and we have been delighted with how positive and happy they have been – you’ve clearly done a brilliant job during lockdown – thank you.

Over the next couple of weeks, we will be running transition days for children in Y2 – Y5. In order to facilitate this, we will be using all available staff and ensuring that the timetabling means that bubbles don’t meet.

I’m sure you will have heard on the news that things will not be back to normal for September and as more guidance emerges we will be putting plans into place and making sure that as a school we have everything in place to enable all our children to return in September.

We very much want our Y6 children to have the chance to say goodbye and to formally end their primary phase of education. We will be putting on a Y6 Socially Distanced Leavers’ Event on Thursday 23rd July where staff and children will be able to celebrate and say goodbye.

To enable staff to attend the Y6 event and to enable staff to prepare for September the Y6, Y1, Reception and Nursery bubbles will close on Wednesday 22nd July. The two groups operating for Key Worker and Vulnerable children will continue and close on Friday 24th July.

We hope that your children have enjoyed their time back in school and that they have been able to find a sense of ‘normality’. Thank you too for your support.

Take care and stay safe,

Clare Harding
