

Multiply

We are delighted to be working with West Notts College to deliver fun family sessions offering ideas and games to support your child in developing their confidence and knowledge of maths. You will be able to join your child in exploring numbers through games and activities. Sessions are open to any child, and their parent/carer in KS1 and KS2. If you did not achieve a Grade 4 or a C at GCSE, you may find these sessions really helpful).

The sessions will run from

Thursday 9th November to Thursday 14th December (not the 30th November as that is the Christmas Fair), from 2.15pm – 3.15pm.

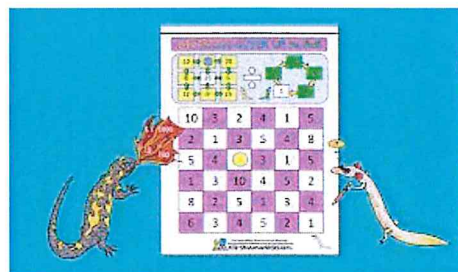

Drinks and refreshments will be provided.

If you come to **ALL** 5 sessions, you will receive a £10 gift voucher and earn £20 for the school!

If you are interested, please complete the slip below and return to school by Friday 6th October. We will confirm your place through the school app.

Yours Sincerely

Clare Harding

I would like to place on the 'Multiply Maths Sessions' starting on 09.11.23 for 5 weeks.
