17th November 2025

Dear Parents/Carers

We are going on a walk to our local Post Office on **Tuesday 9th December** to post our letters to Santa. We will be leaving at 9.15am.

We would like ONE adult to accompany their child on our walk to the Post Office. If you have more adults in your family that are willing to help us on our visit, please speak to me. Unfortunately younger or older siblings will not be able to join us.

If we do not have enough volunteers to help us with our visit, we will be unable to go.

Would you please complete the slip below if you consent for your child to go, and if an adult can accompany us on our visit.

Yours faithfully

A CLARK
