Dear Parent/Carer

Due to concerns about children walking home alone after school and after our after school clubs we would like you to fill in the form below if you give your permission for your child to walk home alone.

Only children who have permission will be allowed to walk home without a parent or guardian collecting them and we will assume if you do not return the form below that your child will always be collected.

You may have completed one of these forms during the last school year but to enable your child to walk home during this School year we will need the permission slip below completed.

If somebody other than yourself is collecting your child/children from school please inform the school office at your earliest convenience. If you think you may be late collecting your child please ring the school office before 3.05pm to enable us to get a message to your child's teacher.

Yours sincerely

C Harding
Head Teacher
