

16 October 2026

Dear Parents and Carers,

Get ready to ROCK!

On **Friday 20th November 2026**, Key Stage 2 pupils will be taking part in our exciting **Times Tables Rock Stars Day** as we relaunch the programme across the school and celebrate the importance of learning times tables.

For one day only, Asquith Primary School will be transformed into a world of rock stars, guitars, fame and multiplication mastery! We are inviting all KS2 children to come to school dressed as a **rock star** and ready to take part in a day packed full of mathematical fun.

What can children look forward to?

- Times Tables Rock Stars battles and challenges
- Friendly competitions between classes
- Speed and accuracy challenges
- Team games and mathematical problem-solving
- Opportunities to win points, certificates and rock-star glory!
- Lots of fun whilst improving times table knowledge
-

Whether your child is a TT Rock Stars legend or just beginning their multiplication journey, this day is all about building confidence, having fun and celebrating progress.

Dress Code Children are encouraged to come to school dressed as a rock star for the day. Outfits can be as simple or as spectacular as you like. A pair of sunglasses, a colourful t-shirt, a leather jacket, a bandana, or even an inflatable guitar can help create the perfect rock-star look!

Please do not feel any pressure to buy new clothing. We simply want children to join in and enjoy the occasion.

Cost There is **no charge** for this event.

At Asquith, we know that times tables are a key building block for success in mathematics. We are looking forward to seeing our children develop their multiplication skills whilst having an unforgettable day of music, maths and rock-star fun!

So start practising those times tables, warm up those air guitars and get ready to become a **Times Tables Rock Star!**

Rock on!

Yours sincerely,

The Asquith Primary School Team
