

What's happening this half term in F2?

Topic

Over the next few weeks we are learning about **transport**. We will be learning more about cars, aeroplanes, taxis and trains. We will be talking about the types of transport we have been on and where we went to. We will also look at what transport looked like 100 years ago. Did you know that the first trains had no roof!

Next, we will look at the story 'Whatever Next'. We will be thinking about making rockets and what we would take on a trip to the moon. We will continue our history theme by looking at the books Peepo and Cave Baby. We will learn what life was like in the past. In the Peepo book we will see that people used to have coal fires and outside toilets. Whilst we look at Cave Baby we will learn more about how some of the first humans lived in caves.

We will also be learning about spring and looking for the signs of spring when we walk around school. Hopefully we'll see some beautiful spring flowers and maybe some birds making nests. We might even get to see some tadpoles from Mrs Bradley's pond. I wonder what they will grow in to. The final week will be focussed on Easter. We will learn why people celebrate Easter and how they celebrate it.

World Book Day

We will be celebrating World Book Day on **Thursday 6th March**. Children can come to school wearing pyjamas or comfy clothes. We would love children to bring in their favourite book from home. Please put their name in it so it doesn't get lost. We have lots of fun activities planned for the day.

Reading is so important. Please keep doing your 4 reads at home. Each Friday children will receive a certificate and a sticker if they have read 4 times at home that week. Don't forget to write in their diary each time you share a book together.

Baking

We have lots more baking and food tasting activities planned for this half term. We ask for a voluntary contribution of **£2** per half term for this. Thank you if you have already paid for the whole year. If you haven't then please give your money to one of the F2 staff. Thank you.

Key Diary Dates

Thursday 6th March – World Book Day

Friday 21st March – Red Nose Day (more information to follow)

Friday 28th March – Reports: You will receive a report letting you know how your child is getting on in school.

Tuesday 1st April – Parents evening

Friday 4th April – last day of school before the Easter holidays begin

Tuesday 22nd April – Back to school

Other things

We do lots of learning outside. This is huge part of our curriculum, so children need to bring a **coat** to school every day. Please put their name in it.

We have lots of lost property, all with no names in. So, we don't know who they belong to. **Please put your child's name in their clothes.**

If your child sometimes has a toileting accident, please put a set of **spare clothes** in their bag. We are running out of spare clothes to change children into. Please wash and return any clothes to school.

Homework

World Book Day – Bring in your favourite book from home.

4 reads – Please read with your child 4 times a week at home. Each year we find that children who read at home make much more progress at school. It really will help your child.

RWI videos – Don't forget to show your child the RWI videos we send home each week via the School App. Watching these will really help them with their reading. We can already see some children have been watching them and are making fantastic progress.
